

## Polish Heritage Society of Rochester

The Polish Heritage Society of Rochester (PHSR) is a nonprofit organization established in 1918 as the Polski Dom Ludowy. Our mission is the promotion of our rich Polish culture, customs and traditions, and the preservation of the uniqueness of our Polish American legacy.

Members of the Polish Heritage Society of Rochester not only support the understanding and practice of Polish traditions and culture throughout the Rochester Community, but have the opportunity to meet, socialize and work on community projects with others who share this heritage. Members are also afforded discounts to events sponsored by the PHSR.
